

Serenity Keepers Final Report

- ① I got 3 estimates for T-shirts, Twin Towers was \$550, the two others were between \$600-\$750. We went with Twin Towers, our total was \$543 for 50 T-shirts. We gave \$417 to Convention Comm. We had 35 Serenity Keepers, sold 33 T-shirts for \$12 1 for 11 and 1 for 10. We have 10 left and donated 5 to auction.
- ② We did 3 hr. shifts, 3 people per shift from 9AM til midnight. 2 people from midnight to 9AM.
- ③ We used walkie talkies (tried to) I had a sign up sheet for them.

Things We Would do Differently

We got sizes from everyone who signed up but I would order more L & XL as extras.

no walkie talkies, remind people to bring their chargers and use cell phones. All walkies were on Ch. 16 we got constant interference

We would have more people on overnights to walk halls, lots of complaint of noise.

We would have also had a meeting at the place so SK knew lay-out.

Thank you for letting us serve
