ASR REPORT - Mike Cas.

What went on at W.S.C.

Soft cover Basic Text will be available at the same price as present Text. H&I can is no longer approved. "Just For Today" not on literature priority list. Several IP's revised or for approval: "Am I AN Addict"; "Clean On The Outside"; "Hey, What's the basket for?"; "The Group"; "Guide To Service"; and "4th Step Guide." The old 4th step guides were disapproved and are inappropriate to use in groups. It can be argued however, that group conscience was violated because the subget didn't appear in the Agenda.

Next year's convention will be in Southern California. Northern California dropped out due to hotel difficulties.

G.I.R.S.C.

The only subcommittee work done was H&I; which met a couple hours on Saturday. There was a motion made that each area subcommittee get some people willing to serve on Regional Committee. It has been suggested that each Area Subcommittee has at least one representative at RSC.

There is a motion tabled stating that G.I.R.S.C. meet on the 2nd Sunday of every other month beginning with August. This matter needs group conscience.
